24 November 1964

MEMORANDUM FOR: Chief, Information Processing Division

25X1A

ATTENTION :

SUBJECT : Proposed Chip Printer Input Code

25X1A

1. Attached is a copy of the proposed chip printer input format for use with a Model 35 Teletype machine. It is suggested that after studying the proposed format a meeting be arranged by the P&DS monitor, [REDACTED] with IPD personnel and [REDACTED] personnel to finalize the computer produced input code for the chip printer.

25X1A

2. It is required that the above suggested meeting be held before the 14th of December so that [REDACTED] can complete their design phase on schedule. If requested the [REDACTED] personnel involved can participate in the meeting at [REDACTED]
